

**REMARKS**

This application is a U.S. filing of GB 0323302.0 filed October 4, 2003 and PCT/GB2004/004152, filed on September 29.

The claims have been amended to place them into better U.S. formatting and style and to eliminate multiple dependencies.

The drawing has been added to also conform to U.S. patent practice.

No new matter has been added.

Respectfully submitted,

DENNIS MAY, ET AL.
